SPANISH FLOORTILES

Barro Diamond Boheme

MADE WITH LOVE

The Spanish floor tiles are amazingly diverse! Because the tile is baked for an extra long time, it can take a lot and is easy to keep clean.

Some have special colour nuances or structures to give the tile extra depth.

They are also available in different creative shapes to create your own patterns.

These tiles can be placed both indoors and outdoors, on the floor and on the wall.

TIP 1: ROOMVO TEGELVIEWER

Take a picture of your floor and choose a tile in our tile viewer.

This will give you a good idea of how the tile fits into your space.
